T.F. GREEN AIRPORT IMPROVEMENT PROGRAM

Subject: Release of Final Environmental Impact Statement for public review.

Release of Final Environmental Impact Statement (FEIS)

The Federal Aviation Administration (FAA) has released a Final Environmental Impact Statement (FEIS) for the proposed Airport Improvement Program at T.F. Green Airport in Warwick, RI. The EIS Notice of Availability should appear in the Federal Register on July 8, 2011. The FEIS contains information on the purpose of and need for the proposed program; the range of reasonable alternatives considered; a description of the alternatives; and an evaluation of the environmental consequences of the alternatives. In addition to the No-Action Alternative, the FEIS evaluates two Build Alternatives that would enhance safety and efficiency at the Airport. The FEIS includes responses to all comments received on the DEIS in Appendix A (Volumes 3 and 4).

The FEIS is also available for review on the public EIS website (www.vhb.com/pvd/eis).

For more information, please contact:

Mr. Richard Doucette, Environmental Program Manager
Federal Aviation Administration
