Public Informational Meeting #2
Wednesday May 13, 2009 6:00 to 8:30 PM

The purpose of this survey is to solicit opinions on the state of the transportation system in the Central Massachusetts urban core. Your comments will help CMRPC and the study team identify a range of multimodal enhancements (vehicles, trucks, pedestrians, bicyclists, public transportation, air travel, freight, etc.). All of your responses will be kept confidential. If you have any questions about the survey or this study, please contact CMRPC at 508-756-7717.

- 1. Do you have concerns or suggestions related to improving public transportation, pedestrian, or bicycle transportation?**

- 2. Is there a specific roadway/intersection issue that you would like to have addressed in this study?**

- 3. Provide any other comments on this study, the public involvement process, and suggestions for improvements.**

If you prefer to mail your comments, send them to:
