Public Workshop
Wednesday July 15, 2009 5:30 to 8:30 PM

The purpose of this survey is to solicit opinions on the state of the transportation system in the Central Massachusetts urban core. Your comments will help CMRPC and the study team identify a range of multimodal enhancements (vehicles, trucks, pedestrians, bicyclists, public transportation, air travel, freight, etc.). All of your responses will be kept confidential. If you have any questions about the survey or this study, please contact CMRPC at 508-756-7717.

1. Do you have any ideas or suggestions related to improving:

a. Public transportation (bus, commuter rail, air, taxi)?

b. The pedestrian environment?

c. Bicycle transportation?

d. Freight movement (rail, truck)?

e. Economic development opportunities?

2. Is there a specific roadway/intersection issue that you would like to have addressed in this study?

3. Provide any other comments on this study, the public involvement process, and suggestions for improvements.

This survey is also available on-line, www.vhb.com/worcesterregionalmobility
